Re: case file # 2006-00028

Ms. O'Donnell,

I have been a resident and homeowner in the Farmdale Subdivision since June of 1977.

The rates have been raised already and to propose raising them to a monthly rate of \$35.59

With a proposed monthly Surcharge of \$27.92 is outlandish. I for one cannot afford to pay

Such high costs. I don't understand the purpose of an increase any way. I strongly oppose

Such an increase.
